As we work to implement NYS mandated preventive measures regarding the recent COVID-19 pandemic, we want to assure our members that we will continue to be a resource to you and your families. **With that being said, in the best interest of our office staff, the Union and Benefits offices are CLOSED to all public and face-to-face interaction, BUT both offices will remain open with staff on hand Monday through Friday from 8:00AM—4:30PM and are available via phone, email and fax.** We appreciate your patience and understanding as we progress through this unprecedented time. Please remain safe and do your due diligence to help stop the spread of this virus!

**Member Per Cap Dues:** we encourage you to pay your monthly per cap dues over the phone using a debit/credit card. You may also mail your payment through the USPS via check or money order. As a last resort, if you would like to drop off a payment, please place in the Benefits mailbox by the front door. Please note that the Union/Training mailbox does not lock!

Until further notice, **all Benefits paperwork** (HRA Claims, Pension and Annuity Applications) MUST be mailed in or dropped in our securely locked drop box located outside the front door. This mailbox will be checked regularly throughout the day. We understand reimbursement checks are extremely important and will do our best to continue providing fast and efficient processing of all requests.

If you are ill - **PRACTICE SOCIAL DISTANCING AND USE**

To get started:

1. Visit Doctorondemand.com/cdphp/join (or download the app from the App Store or Google Play)
2. Follow the on screen instructions to register for your FREE account.

During the registration process, be sure to use CDPHP as your insurance provider. Include both your group and id number found on your CDPHP Insurance card to receive the current -$0- copay for these services.

Local 773’s training facility and weld shop are closed until further notice.

Effective March 18, 2020, Local 773’s JATC has cancelled the few remaining weeks of Apprenticeship class as we do our part to protect our members, their families, and the surrounding community.

All additional classes/training have also been cancelled/postponed, which includes First Aid/CPR/AED, Medical Gas Installer Recertification and Industrial Rigging Recertification. As we advance through this crisis, we will work to reschedule all necessary training.

Please note that the UA has also suspended all Regional Training Courses through May 1, 2020.
WE ARE HERE FOR OUR MEMBERS AND THEIR FAMILIES
PLEASE DON'T HESITATE TO CONTACT US!
